A Note from the Teacher

Parent-teacher conferences are coming up next week. Please review the time you signed up for as well as the reminder slip sent home to see your time. I look forward to the great conversations we will have.

Don't forget to complete a parent survey so I can tailor the conversations to your specific wants and needs.

Dates to remember

- Friday, February 24: Family Activity Night
- Monday, February 27-Thursday, March 2nd: Parent Teacher Conferences
- Wednesday, March 1st: Early Dismissal
- Friday, March 3rd: Book Orders Due
- March 13-17th: Spring Break

Starting Monday, we will have a volunteer in the classroom to start Junior Achievement. This will be almost every day for the next few weeks!

Literacy: The students finished up their French culture research and now they are working on adding that culture into their own Cinderella story or play with a group. In small group reading we have been focusing on the heavy standards for this unit such as main idea of multiple paragraphs and text features.

Math: Students concluded their learning of unit 6 with a test on Friday. Monday will begin Unit 7.

Spelling: Next week's pattern will be double final consonant.

Writing & Social Studies: We are still working on our fiction unit and switching off days with Social Studies. The students learned about geography this week, mainly focusing on landforms.
