

Week of: February 6th

This Week We Learned...

Literacy: This week started unit 4 with our culture project and Cinderella stories. The performance tasks this unit will be researching the French culture (chosen by students this week) and writing a Cinderella story in groups that has components of that culture.

Math: Unit 6 is well under way as the students are looking at multi-step number stories and additional strategies for solving 2-digit addition problems.

Spelling: This week's spelling pattern was -ie and -oo. Week 22 will be -ou and -oo.

Writing: In writing this week we started our new unit Fiction. The students are really excited to use their imaginations in their stories. We are currently writing silly animal stories.
