

This Week We Learned...

Literacy: This week we have been looking closely at the characters in our books and determining their character traits. We learned that there are two types of character traits: Physical and Personality. The next step with this skill is to compare and contrast characters.

Math: We begin unit 5 this week and have had a heavy focus on counting coins and making change. This will continue into next week.

Spelling: This week's spelling pattern is "bossy r". The patterns -ur and -are are the focus.

Writing: In writing this week we started our unit on opinion writing. The students are learning to write persuasive letters to convince someone that they should be able to do something. We will continue building on this learning by talking about evidence and reasons.
