

In class this week:

Homework

Important
News

Hunger Drive:
Attached in an email and on the website is a flyer for the Hopewell hunger drive. Make sure to wear workout gear on Monday to support the hunger drive!!

Conferences: The conference link to the new system is available through the enews sent out Friday morning. You may schedule your own conferences through the system. One slot is open per student.

Literacy: Thick and thin questions were the focus this week. We determined that thin questions are questions that are found right in the text such as "Who drank the last of the milk?" and thick questions are called our think and search questions. "Why do you think....?"

Math: Unit 2 comes to a close on Thursday with our unit test.

Language: This week's focus was nouns. We found words that match people, places, and things.

Spelling: This week's spelling pattern was -ng and -nk endings. Next week will be -ke and -ck endings.

Writing: We finished our personal narratives this week!

The students have started with their weekly homework. Nightly work should include:

1. Studying spelling words.
2. Twenty minutes of reading and completion of reading/homework log.
3. Studying math facts.
4. Math Home Links

:Specials:
