

This Week We Learned...

Homework

Important
News

Conferences:

Thank you parents for attending parent-teacher conferences. I enjoyed having the opportunity to share the great things your child is doing in the classroom. I am excited to show you their continued growth in the spring.

Turkey Projects:

Continue working on these over the weekend! Turkeys are due on Monday, November 7th!

Specials:

Day 1- Music
Day 2- PE
Day 3- Art
Day 4- PE

Library- Fridays

Literacy: We are continuing to work through unit 2 of ELA. Our focus this week has been nonfiction text features. We will be starting our animal projects next week!!

Math: Unit 3 is off to a great start! The students are learning strategies to help them solve subtraction problems.

Spelling: This week's spelling pattern was -y and -igh. Next week we will work on spelling and decoding words with vowel teams.

Iowa Assessments: I am so proud of how the students have handled Iowa Assessments this year. This is a tricky task and they have handled it great. We are almost done and looking forward to great scores!

The students have started with their weekly homework. Nightly work should include:

1. Studying spelling words.
2. Twenty minutes of reading and completion of reading/homework log.
3. Studying math facts.
4. Math Home Links

Upcoming Dates

- Iowa Assessments continue- Monday, November 7th
- Turkey project due- Monday, November 7th
- Family Activity Night- Friday, November 11th
