

In class this week:

Homework

From Miss
Storjohann

These first couple weeks of second grade have been great! We have done a lot of great learning and have really begun working with the curriculum. I am very impressed with the work I've seen so far!

As class birthdays begin, please make sure snacks are coming from the Spartan Safe Snack List. This can be found on the PV website or on my classroom website.

Literacy: We have been working on the Handy 5 and I H. (Who, What, Where, When, Why, How) Learning how to ask questions has been a big focus as well!

Math: Everyday math unit one. We have focused on finding patterns using the number grid.

Language: This week's focus is: Interrogative and Declarative sentences.

Spelling: This week's spelling pattern was on ending blends with short a, l, and e.

Other: Focus on Handwriting and reading at home to start off the year!

Book Orders: Due September 13th

The students have started with their weekly homework. Nightly work should include:

1. Studying spelling words.
2. Twenty minutes of reading and completion of reading/homework log.
3. Studying math facts.

Home links for math will be getting started in the next couple of weeks at the end of unit 1.
